
Generally accepted safety regulations relating to technology, labour, safety and accident prevention must be followed by the exhibitors.

Proper safeguards must be provided on the exhibits for protection against sparks, flying chips, heat etc. Organisers are entitled to prohibit operation of machines or equipment, if in their opinion, they pose a danger and annoyance to visitors/other Exhibitors.

Safety Guidelines:

- Only authorized personnel and employees allowed, all others are prohibited.
- This is an active work zone.
- All Exhibitors and attendees enter at their own risk.
- Stay clear of heavy machinery.
- Never stand on furniture.
- Wear closed toe shoes.
- Clean up or report spills.
- Keep aisles free and clear of any and all debris.
- Use good housekeeping.
- Check electrical cords for damage.
- Protect valuables at show site.
- Report any fires immediately.

If you notice anything unsafe please contact TAGMA immediately.
