

AN INVITATION AND A WELCOME

[Page 1](#)

Sub.: The 5th DIEMOULD INDIA 2006 International Exhibition, Chennai..

From : 3rd March, 2006 to 6th March, 2006

Welcome for the 5th time to TAGMA's DMI-2006 international exhibition that transcends the borders of tooling technology in a world of rapid changes.

Welcome by an institution whose mission is fusion between international & national business.

Welcome to the hub and buzz of technical professionalism and unprecedented globalization.

Welcome to the home of customization, quick communication, intensive development and diverse opportunities covering a sub continent.

Welcome to India's inexhaustible resource materials, **global mindsets** and preferred technology acumen.

Welcome to the knowledge area of tool makers who would like to grow immeasurably and work together to achieve common goals.

Welcome to the country of "borderless thinking and limitless potential" for that success which is the summit and goal of all life.

Come and discover countless ways and exposure to newer perspectives of the world's **second largest populated country.**

Come and discover entrepreneurial enterprise and opportunities in the **second largest growth economy** of Asia with all its purchasing power.

Come where regional and local level have their appointed places to vie for a place in the sun via expansive opportunities.

Come where your industry and life work experiences can be shared with your peers in the full knowledge that DMI 2006 is just the right place for it.

And finally, come where you can establish business contacts around the world acquired from constant interaction with them with all their unique leverages.

Do you still need an invitation when you are already assured of a welcome?

Kind Regards,

**S.C.KALYANPUR
PRESIDENT**
