Herewith consolidated list of various circulars received from CII, FICCI, DPIIT and other national bodies

FICCI

Urgent Inputs Required on PPE Equipments & Ventilators

In view of the ongoing COVID 19 crisis, it is important to effectively address the issues and to synchronize efforts. Ministry of Home affairs has thereby constituted eleven empowered groups to identify problem areas and provide effective solutions therefor.

To effectively contribute to the above initiative of government, FICCI is connecting with industry for identifying potential players who are importing/manufacturing/dealing in equipment such as ventilators, masks, coveralls, hand gloves, etc and can support the country by supplying these items to the government as and when required.
